Creating Your PowerSchool Parent Portal Account

****First Time Users ****
Must click “Create Account” to setup an account and associate students to it. If an account was created in a previous year(s), Enter your User Name and Password and click “Sign In”.

A letter will be issued from your school. The letter will contain your students Access ID and Password. These values are needed to attach a student to your account. If you do not have this information or have questions, contact your school for assistance.

- ⇒ Student do not create an account. Username and Password issued by school
- ⇒ Can attach more than one student to an account
- ⇒ Also same student can be attached to multiple accounts

See www.gpcsd/Parents for resources

Creating an account requires 2 steps:
 Creating the actual account and linking student to the account.

STEP 1—Create Account

Enter the following:

- First Name
- Last Name
- Your Email account
- Your desired Username
- Password—Create for this account

STEP 2—Link Students

You must know the students Access ID and Access Password to link them.

Enter the following to make the link:

- Students name
- Access ID-Provided by School
- Access Password-Provided by School

Your relationship—Select one

Once all information is entered click “Enter”

When your account is successfully created you will see this page. Use the user name and password you entered in the previous step to login to the parent portal
