Graduation 2019

Grad season is in the air and for many of our families and students it will be a moment to reflect upon the past 13 years. Thank you to **all St. Joseph, St. Mary's & St. Thomas More staff, volunteers and families** for your passion to see these graduates on their journey through education. We are blessed to have the gift of Catholic Education in this province and we see the results in the faces and hearts of these graduates. As a community we gather to celebrate the many accomplishments and stories of these grads and we look forward to seeing them take to the stage over the next two weeks. At each of our graduations we begin with a Mass to bless and pray for our grads in a meaningful way. After Mass we move to the Cap & Gown ceremony, celebrating the many achievements and blessings of this year's graduating class.
