Criteria and Application Form

The Education Foundation supports *Special Projects* that inspire learning, enrich teaching and nurture the spirit in our Catholic school community.

Applications are accepted from individuals, school councils, school district staff and community members. Applications must be signed by the corresponding school administration, District Superintendent or local parish representative in order to confirm that the project aligns with the plans and goals of the school district.

Special Project funding will **not replace basic education funding** that is allocated by the school district. Typically, only applications for projects of a one-time nature are **considered up to \$1000.00**.

Amounts awarded will be based on the availability of funds and the number of applications received.

The Foundation will not be responsible for any liability that may be incurred by the individual or group approved for funding.

FINAL REPORTS ARE MANDATORY FOR ALL FUNDING.
